Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The high school's fire alarm system is not up to code and was inspected by the local fire chief. The chief wrote up the district to correct the issue of not having adequate alarms/strobes in the facility. Several classrooms cannot hear the alarms during our monthly fire drills. A copy of the chief's report has been submitted to Gerry Breuer.

Project Category: Special Systems

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
